## **Description**

The badge is circle-shaped and depicts a pair of finely wrought scales. Talent used to be an ancient measure of weight. The border of the badge is elevated, mimicking a stranded rope. On its uppermost part we find the vessel's name in a rectangular box, topped with a naval crown. Launched in February 1945 and originally named HMS Tasman, HMS Talent belonged to the second group of the T-class submarines of the Royal Navy. The vessel served in the Far East as well as the Mediterranean
